

# The Approval of King Messiah

Previously we recorded the visit that **Yeshua** made to the **Holy City of David** to observe the Passover (see **Ba - The Boy Jesus at the Temple**). Now approximately eighteen years later **He** made a similar journey in order to be baptized by **John the Immerser**. The specific purpose of the visit was stated: **Then Jesus came from Galilee to the Jordan to be baptized by John (Mattityahu 3:13)**.

**Yochanan** had prepared the Jewish people for the momentous event. **God the Father** would approve of **God the Son**, and **the Holy Spirit** would equip the **Kosher King** so that **He** could begin **His** messianic ministry. Next we see **the Anointed One** officially presented by the designated forerunner to the nation of Isra'el as her **Redeemer** and **Savior**.
