

Abraham's Servant Meets Laban

24: 28-49

Here the **chief servant** meets **Laban**, who will be an important character in the story of the Patriarchs. **He** is a real rascal, and you will need to keep your eye on **Laban**. **He** loves material things, as you will see, and there is almost nothing **he** will not do to get them. **Laban** will cause **his** nephew Jacob no small amount of trouble.
