

# The Number Seven

During the Great Tribulation **Jesus** will begin to deal with the unholy trinity and mankind's rebellion on earth. **His** discipline will come from heaven, but the terrible results will be seen on the earth. **God** has divided these events into three sets of seven: **seven seal judgments, seven trumpet judgments, and seven bowl judgments**. The first six **seals** will be broken one at a time and each **seal** will produce one **judgment** for a total of six **judgments**. **The seventh seal** will not produce a judgment, but will instead produce **seven trumpet judgments**. The first six **trumpets** again produce one judgment each and the seventh will produce **seven bowl judgments** (also see my commentary on **Genesis** [Ae - The Number Seven](#)). When the **seventh bowl** is poured out, the wrath of **God** and the Great Tribulation will come to an end.
