

The Second Coming of Jesus Christ

19: 1-19

The Second Coming of **Yeshua Messiah** is easily the most exciting event in Bible prophecy. Every believer waits for the **blessed hope** - the **glorious appearing** of our **great God and Savior, Jesus Christ**, who gave Himself for us to **redeem us from all wickedness and to purify for Himself a people that are His very own** (Titus 2:13-14). His Second Coming will be in stark contrast to His First Coming, when He fulfilled the promises of a **Savior**. On that occasion, He came humbly, to be born in a manger. He allowed Himself to be abused and beaten by men, even to the point of being spit upon and crucified. However, the next time our **Lord** will not come in humility, but in great glory and power. His **glorious appearing** will significantly contrast His humble birth about two thousand years ago.

Chapters 4 through **18** of the book of **Revelation** dealt primarily with the events of the Great Tribulation. Beginning in **Chapter 19**, however, there is a noticeable change. **Daniels' 70th Seven** on the earth will be over and the spotlight will then focus on heaven and the Second Coming of the **King of kings and Lord of lords**.
