The Similarities Between Jude and Second Peter

Anyone reading **Second Peter** and **Jude** will notice a great deal of similarity, which makes it obvious that one is quoting from the other. **Peter** wrote in the future tense, while **Jude** writes in the past tense. **Peter** predicted events that would happen in the future, whereas, **Jude** writes about the same events after they have already occurred. It is apparent that **2 Peter** is quoting **Jude** ([to see link click Ac - The Book of Jude from a Jewish Perspective: Date](#)), and there are thirteen quotations from **Second Peter** contained in the book of **Jude**.⁸
