True Wisdom and the Spirit of God
2:6 to 3:4

True wisdom, and **spiritual maturity**, comes from **ADONAI** revealing **Himself** to you through **Yeshua Messiah**. This had been **a mystery** until **He became flesh and tabernacled among us (John 1:14). The world** did not understand this when **He** was born, and **it** still doesn't understand this today. It is as unnecessary as it is impossible for us to discover **ADONAI's** truth on our own. What we cannot find; **God** has given. We cannot come to **YHVH** on our own; but **the Lord** has come to us. **The Ruach Ha'Kodesh** has invaded our closed box and shown us **the Divine** – through **revelation**, **inspiration** and **illumination**.

But in the congregations of **God**, there are some today who are still **immature**, **spiritual babies**, causing division. Even though **they** are saved, **they** surrender to the pressures of **the world** and to the temptations of **their** own **flesh**. They live like **the world** lives; they act like **the world** acts. When corrected, **they** blame others instead of looking in the mirror. And not so surprisingly, **their** immaturity spreads like a cancer throughout the body. **Jealousy and quarreling** always result from this attitude. But **they** are being **deceived**; **they** need to become **foolish** from **the world's perspective**, so that **they** may become truly **wise** and full of **wisdom** found in the crucified **Messiah**.
