# Our New Position in Messiah 2: 4-10

**Ephesians 2:1-3** presents a hopeless picture of an unregenerate person who deserves nothing by **God's** wrath (**to see link click Av – Salvation from Sin**). The wrath of **Ha'Shem**, however, is not the entire story. Its dark background contrasts with the glorious display of **God's grace** toward those alienated from **Him** because of their sin. This next section describes our new position **in Messiah**, and the **grace** of **ADONAI** which works on some unbelievers and gives them **eternal life** (see **Ax – Alive in Messiah**), **raises** them up (see **Ay – Raised in Messiah**), and **seats** them in heaven with **Yeshua Messiah** (see **Az – Seated in Messiah**).
