Queen Esther of Persia

There was a 57 year gap between the First and Second Returns from Exile 537 to 480 BC

During this time **Esther** became Queen of Persia (see the commentary on [Esther](#), to see [link click Am - Esther Elevated to Queen](#)), giving **the Jews** prestige in the Persian court. **Esther** saved **the Jews** from Haman's holocaust (see the commentary on [Esther Au - Haman's Plan to Annihilate All the Jews](#)), which is celebrated to this day (see the commentary on [Esther Bn - The Feast of Purim](#)). **Esther's** victory and **Mordecai's** position as prime minister (see the commentary on [Esther Bh - The King Gave His Signet Ring to Mordecai](#)) effected **Ezra's** return and **Nehemiah's** position (art by Sarah Beth Baca: see more information on Links and Resources).
