The Approval of King Messiah

Previously we recorded the visit that **Yeshua** made to **the Holy City of David** to observe the Passover (**to see link click Ba – The Boy Jesus at the Temple**). Now, approximately eighteen years later, **He** made a similar journey in order to be baptized by **John the Immerser**. The specific purpose of the visit was stated: **Then Jesus came from Galilee to the Jordan to be baptized by John (Mattityahu 3:13). Yochanan** had prepared the Jewish people for this momentous event. **God the Father** would approve of **God the Son**, and **God the Holy Spirit** would equip **the Kosher King** so that **He** could begin **His** messianic ministry. Next we see **the Anointed One** officially presented by the designated forerunner to the nation of Isra'el as her **Redeemer** and **Savior**.
