The Acceptance of King Messiah

Messiah's first miracle was not for public view. The purpose for **His** turning water into wine at the wedding in **Cana** was so that **His** apostles would have faith in **Him.** **Christ's** public ministry would begin and end in Jerusalem. But, once **Yeshua** cleared **the Temple**, beginning **His** public ministry, **His** popularity and acceptance would continue to grow in Judea, Samaria and Galilee. **Jesus** then became **the Kosher King** of many Israelites.
