The Ten Horns are Ten Kings Who Will Come from this Kingdom Dani'el 7: 24a

The ten horns are ten kings who will come from this Kingdom. DIG: How long does this stage continue? Why will it end?

This is the first of **five events** that will occur in the first half of the Great Tribulation. So the governmental system of the **ten kings** will start before the Tribulation begins and will continue on through the first half.

The one world government will eventually split up into **ten** kingdoms. **The ten horns are ten kings who will come from this kingdom.** In recent years there has been much speculation that the European Union (EU) will become these **ten** kingdoms. They would supposedly revive the old Roman Empire made up of **ten** European countries. But the Bible does not talk about the **ten** kingdoms in this way. It says that after the world falls under the control of the One World Government, then, and only then, does it split up into **ten** kingdoms. However, these **ten** kingdoms cover the entire world, not just Europe alone. At best the European Union might become one of the **ten**, but it could hardly become all of them. Beginning before the Great Tribulation, this **Ten Kingdom Stage** will continue until the middle of the Tribulation, and it will be **the third birth pang**. This is a review, **to see**
