The Message to the Evil Kings of Judah 22: 1-19

This prophecy primarily concerns two evil kings: first, the short three month reign of **Jehoahaz**, when **he** used **his** throne name, or **Shallum**, when **he** used **his** personal name (to see link click [Bm](#) - **Jehoahaz Rules For 3 Months in 609 BC**), and second the eleven year reign of **Jehoiakim**, when **he** used **his** throne name, or **Eliakim**, when **he** used **his** personal name (see [Ca](#) - **Jehoiakim Ruled for 11 Years from 609-608 to 598 BC**). But in reality, it is a dire warning to *all* the future **kings of Judah** (see [Bx](#) - **Concerning the House of David**).
