The Practical Application of the Supremacy of the Son **10:19 to 13:25**

In the first major section **1:1 to 10:18** (to see link click [Ah](#) - **The Superiority of the Son in His Person and Work**), the author of **Hebrews** dealt with theological issues. He showed the superiority of **the Son** to the three pillars of Judaism: **angels**, **Moshe**, and **the Levitical priesthood**. Now, in the second major section of the book, he is going to deal with the practical application of the superiority of **the Son** in the walk of the believer. This practical application is based upon the theology previously discussed. In contrast with the first major section, however, this section is primarily application with some theology.²⁷¹
