## The Events in the Second Half of the Great Tribulation

### Revelation 15:1 to 18:24

Obviously, the events beginning in the middle of the Great Tribulation continue into the second half, for it will take the full **seven years** for **God's** purposes to be revealed. But once the second half of the Great Tribulation begins, world events will rapidly come to their climax at the return of **Yeshua Messiah**, the defeat of the unholy trinity and the institution of **His** thousand-year reign. The second half of the Great Tribulation will last for **three and a half years, 42 months (13:5)**, or **1,260 days** (a prophetic year in the Bible is 360 days, not 365).
