

# The Training of the Twelve by King Messiah

This section covers the third Passover of **His** public ministry to the festival of Sukkot in 29AD. During this period **Messiah** ministers to the *Gentiles* on four different occasions (the Jews considered the Samaritans half-breeds and viewed them with utter contempt).

1. **Bz - Jesus' Acceptance in Samaria**
2. **Fg - Jesus Heals Two Demon Possessed Men**
3. **Ft - The Faith of a Canaanite Woman**
4. **Fu - Jesus Heals a Deaf Mute and Feeds Four Thousand**

**Jesus Christ** was training **His apostles** for the mission they would accomplish in the book of **Acts**. These instructions were a direct result of **His** rejection by the *Great Sanhedrin* (see **Eh - Jesus is Officially Rejected by the Sanhedrin**). **Yeshua** knew **His** death was imminent and **He** now prepares **those** who will carry on afterward.
