The Removal of the Abomination That Causes Desolation
Dani'el 12: 11

The event that will point to the beginning of the second half of the Great Tribulation will be the antichrist's takeover of the Tribulation Temple, when he declares himself to be **God**. He will have the false prophet **set up** his image in the Most Holy Place, which will result in the genocide of the Jewish people. Because this action will cause the Jews such anguish and despair, it is called **the abomination that causes desolation**.

The antichrist will remain in power for 1,260 days, and then he will be killed by **Christ** in the Campaign of Armageddon. But the image that had been set up in the Most Holy Place will be allowed to stand **from the time that the daily sacrifice is abolished and the abomination that causes desolation is set up, there will be 1,290 days**, for another thirty days after the end of the Great Tribulation. At that time the image of the beast, and the Tribulation Temple will be destroyed during the seventy-five interval (**to see link click Ey – The Seventy-Five Day Interval**).

*Dear Heavenly **Father**, Praise your power and wisdom. **You** have every detail all figured out and you have already won the battle **(Revelation 19:11-21)**! **You** will reign eternally and **Your children (John 1:12, First John 3:1, 3)** will come to live with **You** in heaven in eternal peace and joy for all eternity! We love and worship **You**! In the holy name of **Your Son**and **His** power of resurrection. Amen*
