The Ratification of the Covenant 27: 1-26

Moses exhorts **the children of Isra'el** to ratify **their** covenant with **ADONAI**, commands that **they** provide for the preservation of the covenantal stipulations, and charges that **they** symbolically place **themselves** under the suzerainty (**to see link click Ah - The Treaty of the King**) of the stipulations of the covenant with **the LORD** (see **Bi - The Stipulations of the Covenant**) by means of a ceremony on **Mounts Gerizim and Ebal**. **The nation** was to “act out” this covenant-renewal ceremony shortly after **they** entered **the Land** that **YHVH** had promised **them**.

The framework for which **the blessing and curse** can be seen in the Torah is as follows:

A. The blessing and curse in *the present* renewal of the covenant (**11:26-28**).

B. The blessing and curse in *the future* renewal of the covenant (**11:29-32**).

C. The Specific Stipulations of the Covenant (**12:1 to 26:19**).

B. The blessing and curse in *the future* renewal of the covenant (**27:1-26**).

A. The blessing and curse in *the present* renewal of the covenant **(28:1-69)**.
