1. What is the purpose of the church?

The church is a community of people who are united together in a common faith and purpose. The purpose of the church is to glorify God and to love one another. This is based on Jesus' words in Matthew 28:19-20 (The Great Commission) and John 13:34-35. The church is called to be a light to the world, to share the good news of the gospel, and to care for the needs of the poor and the vulnerable. The church is also called to be a place of worship and prayer, and a place where people can grow in their faith and love one another.
