## Jacob's Flight to Haran 27:41 to 28:22

**Jacob's** grandfather **Abraham** had set out on a long journey; now **Ya'akov** makes his way through the wilderness alone. There, the similarity ends. **Avraham** traveled with the assurance that **ADONAI** was with him and was guiding him. **Jacob** had no such assurance as he started out. But **Jacob** does meet **God** at **Bethel**, and is assured of **His** continuing love and protection.<sup>448</sup>
